## Where can I drop off my absentee ballot in metro Atlanta?

Oct 2, 2020 ... County-by-County Ballot Drop Box Locations

By: [WSBTV.com News Staff](#) Updated: October 2, 2020 - 11:33 AM

With the use of absentee ballots on the rise this year, many counties are offering drop boxes for contactless delivery of your ballot after you've finished filling it out.

The State Election Board [approved](#) drop boxes in April as a way to help voters avoid human contact during the [coronavirus pandemic](#).

Drop boxes are monitored by video cameras for security, and ballots must be collected at least once a day. The boxes are located on government property, securely fastened and built with an opening slot that prevents ballot tampering, damage or removal.

**Absentee ballots delivered via drop box will only be counted if they're put into the box before polls close at 7 p.m. on election day.**
